Pacifica Potter's Wheel

Model 400..... \$895.00 Model 800.... \$1,015.00

Since its inception in 1972, the Pacifica Potter's Wheel has been considered by many to be the best potter's wheel value on the market. There is no part of the Pacifica where quality, comfort or convenience has been compromised. From the heavy, 13 inch, machined aluminum throwing head, to the welded steel frame with its large and durable molded tabletop, and the easy to install/remove and clean splash pan, the Pacifica provides long-lasting quality and enjoyment every step of the way. The GT 400 comfortably handles up to 80 pounds, while those who consistently throw extremely large and heavy pieces may want to consider the GT 800.
