

VPM-9 VACUUM POWER WEDGER NEW!!!!

The VPM-9 has arrived. With all the bells and whistles, and a price that competes with the standard pugmills, the VPM-9 does it all. Any clay that has not been fired can be reclaimed in the VPM-9. Broken greenware, slop, powder and water can be thrown into the pugmill and reclaimed in minutes. It is that simple. Stainless Steel: Shaft, augers and paddles of stainless steel, along with aluminum mixing/pugging chamber, ensures rust-free clay processing.

Large Hopper: The oversized hopper door allows for easy loading of up to 25 lbs. of clay per batch.

Batch Mixing Capability: Full batch mixing and blending capability allows for moisture adjustment before pugging.

Pugmill Output: Switch to PUG after a batch is completely mixed, and the Power Wedger Price \$3,599.00 plus freight Stainless \$4,549.00 Stand \$250.00
