

SCALES

Triple Beam Scales

Ohaus scales are accurate (sensitive to 0.1 gram), reliable instruments for weighing glaze ingredients. These triple beam scales all have a 610 gram capacity which can be increased to a maximum of 2610 grams by the use of optional attachment weights.

MODEL 760 SCALE \$189.00

The most versatile of all the scales shown here. It features the additional undivided tare beam which makes it possible to counterbalance any container up to 180 grams without extracompensation for the weight of container used. It has a six inch stainless steel plate.

MODEL 750-S SCALE \$155.00

A less expensive version of the Model 760 scale. However, it does not have the additional undivided tare beam which makes it necessary for the user to calculate the weight of container used.

MODEL 710 SCALE \$176.00

This model is the ideal test scale for laboratory use. The weight of the 6" diameter and 3/4" deep stainless steel, removable pan has been compensated for by factory calibration.

MODEL 720 SCALE \$195.00

This model is equipped with a removable plastic scoop, for easy transfer of materials to mixing container. The weight of the scoop has been compensated by factory calibration.

STAINLESS STEEL SCOOP \$62.70

A footed stainless steel scoop for use with all models except Model 720. Includes counter weight.

ATTACHMENT WEIGHTS

To achieve the maximum weight of 2610 grams on all Ohaus Scales, two 1000 gram weights and one 500 gram weight required. **500 Gram Weight \$12.20 1000 Gram Weight \$15.85**

REPLACEMENT SLIDING POISES

Sliding poise beam weights for all 700 series scales 0 to 500 gram for center beam and 0 to 100 gram rear beam.

Center Beam Poise \$14.50 Rear Beam Poise \$9.55

Vinyl Scale Cover \$16.50

A vinyl cover to protect scale from accumulating dust when not in use, to preserve the finish and help to maintain accuracy.

IBAL 5000H Hemp Plastic Scale Precision Digital

5000 Grams (optional AC Adapter \$13.50)

The My Weigh i5000-H All-Purpose Digital Scale has a 5000 gram capacity with a 1 gram resolution, and also measures in three other modes. This scale has a backlit display, tare feature, and counting feature. Weighing bowl and batteries included. Not Recommended for Heavy Use. **Price \$65.00**

NEW !! IBAL 5500 Professional Grade Scale Precision Digital

The iBalance 5500 is the perfect higher capacity precision scale. It reads 5500 grams in 0.1 gram increments. The iBalance comes complete with an AC Adaptor and large Stainless Steel tray.. The extra-large Backlit LCD makes for easy reading. The base of the scale has height adjustable rubber feet, these are used in combination with the included level bubble so you can set the scale at a perfectly flat angle (for optimum accuracy). **Price \$185.00 Plastic Bowl - \$9.00 (Recommended for Heavy Use.)**

DIGITAL SCALES

These scales provide total portability with a 9V battery operation, socket for optional A/C adapter, one-touch zero function, and LCD digital readout. They are durable and can speed up any weighing task. Ship wt. 2 lbs.

Model CS-200 200 gram capacity \$120.00

Model CS-2000 2000 gram capacity \$120.00

Model CS-5000 5000 gram capacity \$132.00

***Optional ac adapter \$21.00**
