

SLIP MIXERS/RECLAIMERS

The Mity Mite is the most efficient small mixer/reclaimer available. The 10 gallon polyethylene tank carries a five year warranty. This unit comes with a 1/3 hp motor with an 8' cord with an inline switch. This unit will mix 100 pounds of slip. The BR6 uses the same motor. The GSM is the smallest one gallon size mixer and is perfect for glaze and porcelain.

SLIP CASTING

The CC6 casting unit uses a short version of the SP4 pump and fits down tightly on a standard 6 gallon bucket. The CC6 is shown with the optional steel base (CC6M) with three swivel casters that makes it very easy to roll around. The motor mount combination top cover is clear lexan so you can see inside the bucket.
